President, City Municipal Council,

MYSORE

To

The General Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

SIR,

In forwarding herewith an extract from the Notes of inspection dated 22nd June 1929 of the Mysore City Municipality and City Improvement Trust Board Offices Co-operative Society by the Assistant Registrar of Co-operative Societies in Mysore, recommending the grant of a loan of Rs.2,000/- with a nominal rate of interest by the Municipal Council for the working capital of the Society, I have the honour to state that the Municipal Council, at its meeting held on the 27th July 1929, resolved that Rs.1,000/- might be given as a permanent deposit for a period consistent with the rules of the Society, rate of interest being 4½ percent (Copy of the Resolution No.17 enclosed). The Society is badly in need of funds to meet the loan demands from its members and deserves the help now proposed to be given as it is doing good work.

It may be stated here that out of the amount of Rs.1,000 advanced to the Society by the Municipal Council as per Government Order No.L. 9025-6/Ml.240-26-2 dated 29-6-1927, Rs.600/- has already been refunded.

I request that sanction of Government may kindly be accorded to the resolution of the Council referred to above.

I have the honour to be,
Sir,
Your most obedient servant,

Y. Ramaswami
President.

Extract from the notes of inspection of the Mysore City Municipal and City Improvement Trust Board Offices Co-operative Society, dated 22nd June 1929 by the Assistant Registrar of Co-operative Societies, Mysore.

Eight loan applications for Rs.1,060 are pending for want of funds. It was very good of the Municipality to have accommodated the society with a loan of Rs.1,000, out of which the society has already returned Rs.600/-. The working capital of the society is not sufficient to meet the demand of the members. The society itself cannot raise all the working capital as it is composed of Municipal employees, whose income are barely sufficient to meet their own ends - Under these circumstances, I think it will be a great help if the Municipality comes to its relief by accommodating the society with at least a loan of Rs.2,000/- with a nominal rate of interest and thus help its own employees who are its members. I hope my suggestion will be recommended for the favourable consideration of the Municipal Councillors by its President, who is the President of the Society.

FROM

President, City Municipal Council,
MYSORE

To

The General Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

SIR,

With reference to your letter No.L 1516/Ml.101-29-2 dated 28th August 1929 in the matter of giving from Municipal Funds a sum of Rs.1,000/- to the Municipal and Trust Board Co-operative Society as a permanent deposit, I have the honour to enclose herein a copy of letter No.79 dated 28th October 1929 from the Honorary Secretary of the said Co-operative Society, furnishing the information required in your letter under reply. As stated therein, the balance of Rs.400, which should have been repaid before the end of June 1928 was not so paid, owing to heavy demands for loans from members, who are exclusively Municipal and Trust Board officials. In the expectation of getting a further loan from the Municipality, the applications for loans were complied with as far as funds were available, and it is reported that the whole of the outstanding loan is realisable.

Under the circumstances explained in the Honorary Secretary's letter, the Society deserves the help it asks for.

I have the honour to be,

Sir,

Your most obedient servant,

V. Ramanaiah
President.

(11)

Letter No.79 dated 28th October 1929 from the Honorary
Secretary, City Municipal and Trust Board Co-operative Society, Ltd.,
Mysore, to the President, City Municipal Council, Mysore.

Adverting to your letter No.332 dated 3rd September 1929, I
have the honour to state that the loan of Rs.1,000 referred to
therein was received on 16th August 1927 and out of this a sum of
Rs.600 has been refunded with interest up to 16th September 1928.

The repayment of the balance of Rs.400 could not be made owing
to the heavy demand for loans from the members who are purely
Municipal and Trust Board Officials whose income is barely sufficient
to meet their own ends and does not allow them to increase the
working capital of the Society by purchasing more shares.

Besides this, there was the probability of getting a further
loan of Rs.2,000 as recommended by the Assistant Registrar to
facilitate the Society for clearing off the balance in question, out
of the same.

Under these circumstances, I request you to kindly move the
Government to sanction the deposit recommended by the Council and
also to allow the poor society to retain the balance of Rs.400 till
it can stand on its own legs.
